

NASA FAR Sup Notice

NOTICE:

This NASA FAR Supplement (NFS) has been prepared as carefully as possible; however, errors happen. Please complete this form to notify us of mistakes such as misspelled words, omitted material, or errors in format. If more convenient, you may send us a copy of the erroneous page with corrections noted. Do not use this form to submit suggested changes to the Regulation (see 1801.271(b)). Responses should be mailed to:

**NASA, Code 1940D-2
Contract Management Division
Washington, DC 20546**

Or email to Cynthia O'Bryant at: Cynthia.D.Obryant@nasa.gov

An error has been noted as follows:

NFS Part, Subpart, or Section:

Page Number and Page Date:

Nature of Error:

The official NASA-maintained version of the NFS is available at <http://www.hq.nasa.gov/office/procurement/regs/nfstoc.htm>. This website offers a number of useful features not available in the paper version, including FAR and NFS search functions. If a user desires to maintain a paper copy, a Word version of the NFS is available at: <http://www.hq.nasa.gov/office/procurement/regs/nfstoc.doc>.
