5306.202 Establishing or Maintaining Alternative Sources

(b)(1) The Life Cycle Sustainment Plan (LCSP)/Acquisition Strategy approval authority is authorized to sign and approve the Determination and Findings (D&F) required by [FAR 6.202\(b\)\(1\)](#).

SUBPART 5306.3 — OTHER THAN FULL AND OPEN COMPETITION

See [SMC PGI 5306.301](#)

5306.302-1 Only One Responsible Source and No Other Supplies or Services Will Satisfy Agency Requirements

(a)(2)(i)(1) See [MP5301.601\(a\)\(i\)](#).

(d) See [MP5301.601\(a\)\(i\)](#).

5306.302-2 Unusual and Compelling Urgency

(c)(1) Contracting officers must notify [SAF/AQC](#) and their SCO as soon as practicable when contemplating the use of this authority for a J&A requiring Senior Procurement Executive (SPE)

approval.

(d)(1)(ii) The authority to make this determination for the Air Force is the SCO or the J&A approval authority, whichever is higher. This authority may not be further delegated.

See [SMC PGI 5306.302-2](#).

5306.302-4 International Agreement

(c) *Limitations*. The document referred to in DFARS 206.302-4(c) must be titled, *International Agreement Competitive Restrictions (IACR)*. The authority to prepare an IACR is delegated from the HCA to the contracting officer (see [MP5301.601\(a\)\(i\)](#)). The contracting officer must include the IACR and a copy of the associated *Letter of Offer and Acceptance*, once completed, in the contract file.

See [AF PGI 5306.302-4](#).

5306.303-1 Requirements

(a) Solicitations for other than full and open competition may be released prior to justification approval, except see [FAR 6.305\(c\)](#) and the asterisked paragraph below the table at [5306.304\(a\)](#).

5306.303-1-90 Bridge Actions

(a) All contract actions that meet the definition of a bridge action at [AFFARS 5302.101](#) require a written, approved J&A document in accordance with [5306.304\(a\)](#). All bridge action J&As shall be identified as a bridge action J&A as indicated in the [J&A Template](#). A modification for the extension of services, executed in accordance with FAR clause 52.217-8, Option to Extend Services, is not considered a bridge action unless or until the total six month extension period allowed by the clause is exceeded.

(b) All signed J&As for bridge actions shall be emailed to the requiring activity's PEO, Flag Officer, or civilian equivalent and the competition advocate. The transmittal document or email must provide the circumstances that led to the need for a bridge action and include a plan to avoid a bridge action going forward.

(c) A J&A for the consecutive use of a bridge contract action (for reasons other than a protest) for the same program or requirement, shall include authorization by the Senior Procurement Executive (SPE) when the original and subsequent bridge actions total an amount equal to or greater than \$10M. The transmittal document or email must provide the circumstances that led to the need for a bridge action and include a plan to avoid a bridge action going forward. SPE approval of repeat bridge actions must be requested by the PEO for acquisition programs or by the MAJCOM Commander or Vice Commander for non-PEO requirements. Contracting officers shall forward a copy of the signed J&A and transmittal document or email to the competition advocate.

(d) Reporting Requirements: The MAJCOM/DRU/AFRCO/AFSpRCO/SMC competition advocate shall submit quarterly and annual reports on bridge action awards and track

progress in decreasing the number of bridge actions awarded each FY. Reports shall be submitted to SAF/AQC within 30 days of the end of each quarter using the [Bridge Action Reporting Tool](#).

5306.303-2 Content

(a) Contracting Officers may use the [Justification and Approval](#) template.

5306.304 Approval of the Justification

(a)

Justification Value	Approval Authority	Delegability
\$700K	Chief of the Contracting Office	Delegable to contracting officer, consistent with warrant level
> \$700K \$13.5M	Procuring Activity Competition Advocate	Not further delegable
> \$13.5M \$93M	PEO/Head of Procuring Activity* / Designated Alternate if they meet the criteria in FAR 6.304(a)(3) . If they do not meet the criteria in FAR 6.304(a)(3) = Senior Procurement Executive	Delegable to Flag/General Officer or civilian SES
> \$93M**	Senior Procurement Executive	Not further delegable

* For the Air Force, in accordance with FAR 2.101, procuring activity is synonymous with contracting activity.

**J&As for actions exceeding \$93M must be coordinated with the DAS(C) or the ADAS(C) and approved by the SPE). The contracting officer must submit justifications requiring approval by the SPE simultaneously to [SAF/AQ](#) and to [SAF/AQC](#) after coordination by the SCO. Allow 18 days for staffing and SPE approval after receipt by [SAF/AQ](#). J&A packages submitted to SAF/AQ shall include an electronic Staff Summary Sheet (eSSS) in the body of the email or as an attachment (Word document only). Include the approved acquisition strategy (or a draft acquisition strategy if the strategy document has not been approved) with the J&A package, and list each attachment under Tabs on the eSSS using the exact electronic file name (e.g., ACE Acquisition Strategy) of the corresponding attachment. If a J&A supports an indefinite-delivery type contract, see [AFFARS 5316.504\(c\)\(1\)\(ii\)\(D\)](#) for processing instructions. The SCO may authorize solicitation release after the justification is reviewed for adequacy and forwarded to [SAF/AQ](#) and [SAF/AQC](#). Submit questions or concerns regarding processing a J&A for SPE approval to [SAF/AQC](#).

(4) Changes recommended during the staffing process must be adjudicated by the contracting officer in coordination with SAF/AQC prior to submitting the J&A to the SPE for approval.

(e) Prior to contract award: After a J&A has been approved, but prior to contract award, if the dollar value of the contract is expected to exceed the original J&A approval authority, the contracting officer must submit an amended J&A to the appropriate approving authority for approval. The amended J&A shall identify the dollar increase from the initial, approved J&A.

(f) After contract award: When a proposed contract action is for new work outside the scope of the original contract, the contracting officer must submit a new J&A as a stand-alone document to the appropriate approving authority based on the dollar value of the contract action for the new work. New work should not commence until the new J&A is approved unless authorized in accordance with FAR 6.302-2, Unusual and Compelling Urgency. See [5343.102-90](#) regarding contract scope considerations.

(g) A new J&A is not required for:

(1) a decrease in the dollar value or scope of the effort; or

(2) an increase in the estimated dollar value of in-scope work, except as described in (e) above.
