Quality Assurance

AF PGI 5346.202-4 Higher-level Contract Quality Requirements

(a) A discussion with the program team, including the program engineer, is essential in determining the need for a higher-level contract quality requirement in the awarded contract. The higher-level quality standard(s) to be included in FAR 52.246-11 should be provided by the acquisition program manager and lead engineer.

AF PGI 5346.401 General

See the [Multi-Functional Team \(MFT\) Resources Guide](#) for additional quality assurance training, tools, and templates.

See the tailorable [Corrective Action Report](#), [Customer Complaint Record](#), and [Performance Assessment Report](#) templates.
